

FBA SUMMER VOLLEYBALL LEAGUE PHILOSOPHY

The Fargo Basketball Academy offers the opportunity for your player(s) to develop volleyball skills in a positive environment through our summer volleyball league. We encourage healthy competition in which kids play hard, but still maintain good sportsmanship.

Each game will have two FBA court monitors that will help with the flow of the game, assist the players with the facilitation of the rules/rotations, keep score, and offer occasional instruction during the game. Therefore, this league is **NOT** adult or parent coached. We want the athletes to play and work together as a team. This will benefit players in the long run as they will develop confidence and individual leadership skills. **Court monitors will assist with substitutions to ensure that all participants play.**
