

FBA SUMMER VOLLEYBALL LEAGUE PHILOSOPHY

The Fargo Basketball Academy offers the opportunity for your player(s) to develop volleyball skills in a positive environment through our summer volleyball league. We encourage healthy competition in which kids play hard, but still maintain good sportsmanship.

Each game will have two FBA court monitors that will help with the flow of the game, assist the players with the facilitation of the rules/rotations, keep score, and offer occasional instruction during the game. Therefore, this league is **NOT** adult or parent coached. We want the athletes to play and work together as a team. This will benefit players overall as they will develop confidence and individual leadership skills. **Court monitors will assist with substitutions to ensure that all participants play.**

SUMMER VOLLEYBALL LEAGUE RULES

- A rock/paper/scissors contest will be used to determine who serves first.
- Each match will be played for a set amount of time concluding warm-up (typically about 40 minutes). Teams will play as many sets as possible within that time limit. Each set will be played to 25 or until the time runs out, whichever occurs first.
- Substitutions will be a part of the serving rotation.
- The FBA court monitor is the game official.
- In the grade 6/7 division, the serving line may be modified to allow for a shorter serve to get the ball in play. The FBA court monitor will make that decision at game time.
- Scores will be kept during each set.
- Players must keep a positive attitude and be respectful to their teammates and FBA court monitors. Repeated disrespectful behavior may result in removal from the league.
- Please help keep the facility clean. Pick up your water bottles and any other garbage at the end of the game.
